BODY CREAMS, BUTTERS AND OILS

The series includes:

- BEE WAX REGENERATING BODY CREAM
- NIGELLA REFRESHING BODY CREAM
- ALMOND MOISTURIZING BODY CREAM
- ALMOND BODY OIL & ORANGE OIL
- COCONUT MIRACLE BODY BUTTER
- COCONUT MIRACLE OIL

BEE WAX REGENERATING BODY CREAM Body cream with bee wax and oat milk is perfect combination for particularly sensitive skin that needs intensive care. Bee wax is highly valued nourishing ingredient that moisturizes skin making it more flexible. In combination with oat milk it has enhanced regenerating effect.

NIGELLA REFRESHING BODY CREAM Body cream with nigella and prebiotic is like "strengthening injection". Nigella oil is highly valued due to its unique moisturizing, soothing and nutritional properties. Wonderfully soothes and improves condition of epidermis. Mixed with prebiotic supports regeneration of epidermis.

ALMOND MOISTURIZING BODY CREAM Body cream with bee wax and oat milk is perfect combination for particularly sensitive skin that needs intensive care. Bee wax is highly valued nourishing ingredient that moisturizes skin making it more flexible. In combination with oat milk it has enhanced regenerating effect.

ALMOND BODY OIL & ORANGE OIL Sweet almond oil is known for its beneficial properties. It perfectly cares dry and rough skin. Moisturizes and improves elasticity of epidermis. Mixed with orange oil works as "care ampoule" bringing back natural glow of the skin and hair leaving them smoothed and shiny.

COCONUT MIRACLE BODY BUTTER

Body Butter with coconut oil is a product made especially for women whose dry skin needs an intensive care. The butter is enriched with jojoba oil granules what positively influences the condition of your skin.

BODY PEELINGS

The series includes:

- **DETOX EFFECT - CARBON SCRUB WITH VOLCANIC ASH**
- **FIRMING UP - COCONUT PEELING WITH COCONUT OIL**
- **ANTYCELLU - ALGAE PEELING WITH GREEN TEA**

DETOX EFFECT - CARBON SCRUB WITH VOLCANIC ASH

Detox Effect – a carbon peeling with volcanic ash is your new way for “detox” of your skin.

It’s an ideal solution if your aim is to accurately and efficiently cleanse your skin. Peeling contains carbon and kaolin which absorb dirt. Volcanic ash is rich in minerals but, first of all, it will help you to get rid of dead skin cells. Thanks to this mix of ingredients your skin will become perfectly cleansed, smoother, softer and pleasant to the touch.

FIRMING UP - COCONUT PEELING WITH COCONUT OIL

Coconut peeling is your new way of improving skin’s firmness.

Coconut oil is well-known because of its precious properties and positively influences skin’s condition. Specks of coconut shells will help you to smooth the skin and get rid of dead skin cells. Coconut peeling will become your ally in the fight for skin’s firmness and elasticity improvement.

ANTYCELLU - ALGAE PEELING WITH GREEN TEA

Algae peeling with green tea is your ally in the fight with cellulite. Specks of algae will help you to get rid of dead skin cells, green tea will strengthen the smoothing effect. Impurity-free skin will get more elastic and firmer. Skin’s firmness is a crucial factor in the fight with cellulite.
