# SKINTRA

SKIN TRANSFORMATION

## SkinTra- conscious skincare.

## Beautician's work in the privacy of your home

SkinTra has been designed by Cosibella for people who **consciously take care of their skin**. It offers well-thought-out formulas that **carefully address its needs**. Thanks to our products, you can experience **results straight from the beauty parlor** yet in the privacy of your home.

Let your customers discover the power of SkinTra formulas.

## Minimalist composition. Maximum effect.

SkinTra formulas have been developed in cooperation with **cosmetic chemists and cosmetologists**. They are created in line with the rule: „**less is more**”.

- They include **solely the ingredients that are truly required**. No exaggeration.
- They are enriched with **concentrated active ingredients**. This guarantees intensive care.
- They are **multi-functional** - one preparation may replace several other. That results in savings in terms of time and money.
- They are **available at a reasonable price**.
- They focus on **specific skin issues** rather than the user's sex or age.

SkinTra is a popular choice among wholesale customers throughout Europe. Our products are known for their **high quality** and **competitive prices**, which can help position you as a leader in your market.

## One brand - 3 series - easy choice

SkinTra prioritizes transparent customer service. **A quick glance** is enough to choose the product for your skin care.

## The label color speaks for itself!

- **Black** - cosmetics **for special tasks**. Highly active formulas and highly concentrated ingredients only.
- **Pink** - for **multitasking lovers**. Multi-purpose products based on numerous ingredients.
- **White** - basic cosmetics, a **must-have for everyone**. Universal products for daily care.

## SkinTra- intentional choice in harmony with nature

We say "yes" to biodiversity and care for the environment. We do not limit ourselves to words - we act. **Every cosmetic we manufacture = 0,5 m2 of the forest planted with the Las na Zawsze (Forest for Forever) Foundation.**

Enrich your portfolio with our products and be eco-responsible!

BESTSELLER

## Destructor

Year-Round Acid Peeling 24%

30 ml/100 ml

An acid peeling to be used **all year long, even in the summer.**

Its concentrated active ingredients help you get a radiant, smooth and lifted skin with a “glow” effect. This is a great solution in case you deal with discolorations and pimples.

- Gel-like formula
- High concentration of active ingredients: mandelic acid (20%), kojic acid (1%), tranexamic acid (2%), potassium azeloyl diglycinate (2%) and vitamin c (2%)
- No phototoxic and photoallergic reaction – **confirmed through testing of the cosmetic, not only ingredients**
- Multi-purpose – for face and body

## Brightoner

Year-Round Acid Toner 9%

100 ml

A softer variant of the cult Destructor peeling **to be used all year long, also in the summer.**

Its active ingredients assist you in your fight against acne, blackheads and inflammation as well as help you **brighten and illuminate your skin.**

- Aqueous formula
- Optimal composition of active ingredients – acids: mandelic, (5%), kojic (1%) and tranexamic (2%) + potassium azeloyl diglycinate (2%) and vitamin C (1%)
- No phototoxic and photoallergic reaction – **confirmed through testing of the cosmetic, not only ingredients**
- Multi-purpose, to be used separately or
- together with the Destructor acid peeling

## Reviver

Revitalizing serum

30 ml

**The essence in serum** – looks like water, is exceptionally light and has a **surprising rich formula!**

Reduced acne, limited number of blackheads, brightened post-inflammatory hyperpigmentation – these are only some results reported by customers. The substances included in the serum help you gently exfoliate the cuticle, eliminate free radicals and regenerate the skin. They also strengthen anti-aging impact. This is a guarantee of a moisturized, toned and radiant skin.

- Aqueous formula – essence; one of the lightest on the market
- Very high concentration of active ingredients – Galactomyces Ferment Filtrate (30%), niacinamide (5%), potassium azeloyl diglycinate (10%), panthenol (2%)
- Multidirectional properties “instant” effect – gentle exfoliation, moisturization, acne reduction, limited number of blackheads, brightened post-inflammatory hyperpigmentation

## Comedo Killer

Serum with a 2% salicylic acid in capsules

30 ml

The serum is formulated with a lightweight and fast-absorbing formula, enriched with encapsulated salicylic acid at the highest permissible concentration.

It vaporizes gradually and therefore proves gentle to the skin and ruthless to imperfections. Thanks to ingredients of the product, you can successfully **get rid of blackheads**, reduce visibility of pores and regulate sebum production. You won't have to wait long to witness the desired results of its usage!

- High concentration of salicylic acid (2%) with no skin irritation – thanks to the form of capsules and slow release of this active substance
- The formula enriched with ingredients that support salicylic acid: potassium azeloyl diglycinate 5%, gluconolactone 5%, shikimic acid 2%
- Very light and aqueous consistency that absorbs quickly and does not leave a greasy film
- Conspicuous effects in relatively short time
- Balanced pH is friendly to skin – ca. 4.5 = no scorching and irritation after application
- No phototoxic and photoallergic impact – to be used throughout the year, at night and throughout the day (**confirmed through cosmetic testing, not only ingredients testing**)

BESTSELLER

## Light Your Skin

Serum with vitamin C 20% and ferulic acid

30 ml

An aqueous serum for **year-long skin care** with a **very high concentration of ascorbic acid (20%)**. Its ingredients effectively support **strong skin illumination and brightening of mild discoloration**. Also designed to reduce the sunburn risk and strengthen anti-aging and anti-wrinkle impact.

- Aqueous formula, not a suspension — a unique product with such a **high concentration of ascorbic acid!**
- Highly concentrated active ingredients: vitamin C (as many as 20%!), ferulic acid, vitamin E
- No blackheads thanks to anti-oxidizing properties

## C The Light

Vitamin C Tetra 10% Serum

30 ml

A lightweight emulsion designed for **year-round skincare** with a high concentration of Ascorbyl Tetraisopalmitate (10%), **the most stable and highly effective form of vitamin C**. Its ingredients work synergistically to reduce discoloration, even skin tone, and soothe redness, making it suitable even for sensitive skin. It also provides **strong anti-aging and antioxidant benefits**.

- Lightweight emulsion formula, perfect for face and body use
- High concentration of active ingredients: **the most stable form of Vitamin C** (10% Ascorbyl Tetraisopalmitate), Adenosine, Peptide growth factor complex
- Excellent absorption and tolerance, especially for sensitive skin
- Effectively reduces hyperpigmentation and brightens the complexion

## C-Acid

Acid treatment with vitamin C

30 ml

**The essence in serum** — looks like water, is exceptionally light and has a **surprising rich formula!** Reduced acne, limited number of blackheads, brightened post-inflammatory hyperpigmentation — these are only some results reported by customers. The substances included in the serum help you gently exfoliate the cuticle, eliminate free radicals and regenerate the skin. They also strengthen anti-aging impact. This is a guarantee of a moisturized, toned and radiant skin.

- Aqueous formula — essence; one of the lightest on the market
- Very high concentration of active ingredients - Galactomyces Ferment Filtrate (30%), niacinamide (5%), potassium azeloyl diglycinate (10%), panthenol (2%)
- Multidirectional properties “instant” effect — gentle exfoliation, moisturization, acne reduction, limited number of blackheads, brightened post-inflammatory hyperpigmentation

## Eraser

Serum for hyperpigmentation with vitamin C 10%

30 ml

**A potent treatment and serum** combining vitamin C (10%) and AHA acids to **target discoloration, acne, and signs of aging**. Ideal for eliminating pigmentation, including melanin-based and post-inflammatory spots. The formula includes ferulic acid and tranexamic acid (4%) to prevent new discolorations, while its antioxidant properties offer anti-aging benefits and protection against irritation. The antibacterial action of AHA acids helps reduce acne and regulates exfoliation, brightening dark spots and minimizing blackheads.

- Unique fusion of ascorbic acid and AHA acids known for their **efficacy in cosmetic treatments!**
- Potent active ingredients: ascorbic acid (10%), lactic acid (~5%), mandelic acid (5%), tranexamic acid (4%), and ferulic acid
- A powerful antioxidant combination—anti-aging benefits while protecting against irritation and reducing acne activity

## Mr. Smoother

Serum with 10% Lactic Acid

30 ml

The essence in serum — has a light, fluid texture and a surprisingly rich formulation. **After just one use, users notice smoother, more hydrated, and softer skin.** This serum effectively addresses roughness and dry patches while preventing clogged pores and imperfections. Its gentle exfoliating properties slough off dead skin cells without visible peeling, making it **suitable for sensitive skin.** By promoting cell turnover, it helps even out skin tone and texture for a brighter complexion. Users enjoy enhanced radiance, making it **an essential addition to any skincare routine** for a refined and luminous appearance.

- Lightweight formula — one of the lightest available
- High concentration of active ingredients — lactic acid (10%), urea (5%), moisturizing factor (5%), and ectoine
- **Designed for a variety of uses**, suitable for the face, body, intimate areas, and **even around the eyes**
- Optimized pH and added arginine ensure gentle action without irritation, making it **safe for use during pregnancy and breastfeeding**

**BESTSELLER**

## Liquid Happiness

Face & Eye Serum with Retinal 0,3%

30 ml

A serum with a **very high concentration of retinal** that **can be applied under eyes!** Its ingredients support toning, anti-aging, anti-wrinkle impact as well as regulate the operation of sebaceous glands and fight against acne.

**Retinal is the most active derivative of retinoic acid, many times faster than retinol.** This is a highly active ingredient that supports anti-wrinkle and anti-inflammatory action. When compared to other retinoids, it is more effective because it is the quickest to transform into the retinoic acid. And the latter serves as an active form of the ingredient required by the skin.

- Oil-like emollient formula that does not leave a grease film
- Very high concentration of retinal (0,3%)
- Under-eye application confirmed through ophthalmological examinations
- The chemical composition compliant with a human sebum — no comedogenic properties

## Creamy Happiness

Emulsion with retinal 0.1% in cyclodextrins

30 ml

An emulsion with 0.1% retinal encapsulated in cyclodextrins provides **enhanced stability and efficacy while being gentle on all skin types**, including sensitive skin. This lightweight formula delicately wraps the skin without weighing it down. It improves overall appearance by reducing wrinkles, smoothing texture, diminishing imperfections, regulating sebum production, and evening out skin tone.

Enriched with soothing and moisturizing ingredients, this emulsion **helps the skin build tolerance to retinal.**

- Lightweight emulsion formula that absorbs easily
- Stabilized retinal in cyclodextrins with additional soothing ingredients: ectoin, Sodium Saccharomyces Isomerase, panthenol
- **Suitable for all skin types, including sensitive skin**

## Sniper

SOS cream for imperfections

20 ml

This cream is a **powerful SOS solution** in the fight against imperfections. Its concentrated ingredients target blemishes precisely, reducing their size and redness. **The unique formula** sets upon application, ensuring effective action without smudging. Suitable for **use on both the face and body**, it can be applied either spot-on or over larger areas, while its eco-friendly recyclable packaging allows for precise application.

- Active ingredients specifically designed for targeted concerns: Zinc PCA 1.5%, Azeloglicine 5%, Salicylic acid, Terpeneol, Extract of Alpine lichen Usnea Barbata
- Setting formula—no smudging during sleep
- Visible results in a relatively short time (just a few days)
- Versatile use on the face and body
- Recyclable packaging with a precision applicator for ease of use

# Everything What Your Skin Will Love

## Prebiotic Caring Toner

100 ml/200 ml

A very light and quick-absorbing tonic with a **super light oil-free milky emulsion formula**, to be widely used. It can be used for example as a pre-cream tonic, cream booster or SPF, or morning care cream. The protective impact of oils is replaced by squalane that supports skin nutrition and care.

The ingredients of the formula support protection of microbiome, regeneration, moisturization and anti-oxidant impact, as well as brightening of discoloring and limitation of ingrown hair after hair removal.

- Super light milk-emulsion formula
- High concentration of niacinamide (2%) and potassium azeloyl diglycinate (3%); it also contains Galactomyces Ferment Filtrate (5%), prebiotic – inulin (2%) and Saccharide Isomerate saccharide (3%)
- No comedogenic impact confirmed through testing
- No glycerine
- To be applied on the face and body

# Guard Your Skin

## Protective antioxidant essence

100 ml

A lightweight and versatile essence that serves as **both a serum and a tonic**, infused with antioxidant-rich ingredients. This product actively protects against the negative effects of blue light and pollution, slowing down the aging process while soothing and preventing irritations. **The unique combination** of prebiotic ferments and Natural Moisturizing Factor (NMF) ingredients delivers deep hydration without weighing down even oily skin. One notable feature of this essence is its **refreshing cooling effect, which provides a gentle sensation that revitalizes and relaxes.**

- Lightweight essence with dual serum and tonic functionality
- Rich in antioxidants and hydrating ingredients: MossCellTec™ No. 1 (1%), Kompleks NMF (10%), Galactomyces Ferment Filtrate (5%), Vitamin C (Ascorbyl Tetraisopalmitate), Arctalis™, and a cooling agent (Menthyl PCA)
- **Non-comedogenic and suitable for all skin types, including oily skin**
- Can be applied on the face as a morning booster, evening serum, or midday refresher over makeup

# Ceramide Cuddles

## Regenerating serum with ceramides

30 ml

A powerful serum designed to deeply hydrate, restore, and soothe the skin, making it **a go-to for a healthy, glowing complexion**. This nourishing blend helps **rebuild the skin's natural barrier**, delivering intense moisture while reducing redness and irritation. Despite its rich formulation, it absorbs quickly and leaves no greasy residue, giving all the benefits without the heaviness. **Perfect for all skin types, including the most sensitive or irritated.**

- Lightweight serum for intensive hydration and barrier repair
- No fragrance or irritating ingredients – proven gentle on sensitive skin
- Suitable for use on the face, body, under eyes, neck, and décolleté
- High concentration of key active ingredients: Squalane (5%), NMF (5%), and Vitamin E (5%), with ceramides and panthenol for regeneration and calming
- Fast-absorbing formula with no greasy residue, ideal for day and night use

# Pink Pow(d)er

## Multifunctional Purifying-Enzymatic Powder on the Base of Clay

40 g

This unique formula features a versatile blend that **combines a white clay base with a carefully curated selection of active ingredients**. Designed to provide **instant and long-lasting results**, this product is ideal for enhancing skin radiance, cleansing, and smoothing both the face and body. Its **multifunctional properties** allow it to be used as a cleansing powder, exfoliating scrub, or revitalizing mask.

Formulated with ingredients that work synergistically to brighten the skin, refine pores, and promote gentle exfoliation, **providing an immediate improvement in skin appearance with a refreshing, banquet-ready glow.**

- Multifunctional formula for brightening, cleansing, and smoothing, with versatile application as a cleansing powder, exfoliating scrub, or revitalizing mask.
- Key active ingredients include Calamine (2%), Salicylic Acid (1.5%), Zinc PCA (1%), and Tranexamic Acid (1%), along with Vitamin B12 and ficin for enhanced exfoliation.
- Delivers instant and long-lasting results for a refreshed complexion, with a unique formula that transforms to a pink hue when mixed with water.

## Cicalm Down

### Light cica cream

50 ml

A soothing cream **suitable for all skin types**, including sensitive or irritated skin. The formula combines powerful active ingredients like Asiaticoside, Madecassic Acid, and Asiatic Acid, as well as a complex of ceramides, phospholipids, and cholesterol, to **support skin regeneration without clogging pores**. Ectoin and beta-glucan help calm redness, deeply hydrate, and reduce inflammation, resulting in an even skin tone.

- Lightweight, oil-free, satin finish that isn't greasy – a rarity in regenerating creams
- Non-comedogenic formula, perfect for daily use
- **Can be used around the delicate eye area**
- Safe for all skin types, including sensitive or treated skin
- No pilling, absorbs smoothly into the skin
- Focuses on isolated, potent active ingredients: Asiaticoside, Madecassic Acid, Asiatic Acid, Complex (ceramides, phospholipids, cholesterol), Ectoine, Beta-glucan
- Packaged in a recyclable tube

## Let Your Skin Drink Up

### Prebiotic Moisturizing Cream

50ml bottle/50ml tube/100ml tube

An instant choice if you rely on the **retinoid or acid treatments** or in case you have a dry and too dry skin that needs strong nourishing and regeneration. The product **combines properties of the nourishing cream and serum**.

The ingredients included in the product support **a long-term moisturization**. Galactomyces Ferment Filtrate prebiotics also foster **extreme nutrition and soothing** of the irritated and dry skin. Customers confirm that the skin feels soft and glows, and is protected against irritation.

- Rich yet surprisingly light W/O milk emulsion formula
- No comedogenic impact confirmed through testing
- Wealth of active ingredients: Galactomyces Ferment Filtrate (10%), urea, ceramides, cholesterol, phospholipids (1%), inulin (1%), beta-glucan, panthenol, allantoin
- Cream and serum in one product

## Let Your Skin Feed On

### Prebiotic Nourishing Cream

50 ml

A **light** cream based on an **o/w emulsion formula**. Its ingredients help you enjoy **strong and long-lasting moisturization**. This product combines **properties of the cream and serum**. It is a must-have product if your skin is oily, mixed and acne.

The ingredients of the cream boost optimal moisturization with no grease effect and no acne risk. This is possible thanks to ingredients that regulate skin light during the day. Thanks to prebiotics, it eagerly supports the microbiome, skin protective barrier and moisturization, as well as skin relief and revival.

- O/W milky emulsion
- No glycerin and comedogenic ingredients – confirmed through testing
- Cream and serum in one product
- High concentration of key active ingredients: Galactomyces Ferment Filtrate (15%), niacinamide (5%) and potassium azeloyl diglycinate (3%), as well as prebiotic: inulin. The formula is also rich in urea and beta-glucan

## Protector

### Sun Care Cream SPF 50+, PA, IR, BLUE LIGHT

50 ml

The moisturizing cream with SPF 50+ PA++++ **for any kind of face skin**. It offers a blend of highly **effective sun protection and active anti-aging care**. Thanks to its ingredients, you can successfully secure your skin against UVA, UVB radiation as well as unfavorable blue and infrared radiation. This cream not only shields your skin from harmful rays but also combats the damaging effects of free radicals and prevents discoloration. It's an ideal choice all year round.

- Emulsion formula with a pleasant satin finish
- High efficiency of a well-thought-out composition of active ingredients: new-generation SPF filters (Tinosorb S Aqua Lite – UVA+UVB, Uvinul A Plus Granular – UVA, Uvinul T150), vitamin C (Ascorbyl Tetraisopalmitate) Saccharide Isomerate (Pentavitin), Infra Guard, Arctalis
- Very high protection against radiation, regardless of the time of the year
- Active protection (including anti-oxidation) against Blue Light and IR radiation
- No whitening and no clogging
- **Safe to use near eyes and by pregnant and breastfeeding women**

## Rich Coat

Antioxidant Broadband Cream  
SPF 50+, PA++++ IR, Blue Light

50 ml

A moisturizing sunscreen for the face, eye area, and body that combines **high sun protection with anti-aging care**. It offers a satin finish without a white cast and delivers broad-spectrum UVA/UVB defense year-round. Its active ingredients shield against Blue Light and infrared (IR) radiation, protecting from free radicals and premature aging. The formula also helps prevent discoloration and redness, thanks to chemical filters and vitamin C.

- Pleasant satin finish
- High efficiency of a well-thought-out composition of active ingredients: new-generation SPF filters (Tinosorb S Aqua Lite (UVA + UVB), Uvinul A Plus Granular (UVA), Uvinul T150) vitamin C (Ascorbyl Tetraisopalmitate) Saccharide Isomerate (Pentavitin), Infra Guard Arctalis
- Very high protection against radiation, regardless of the time of the year
- Active protection (including anti-oxidation) against Blue Light and IR radiation
- No whitening and no clogging
- **Safe to use near eyes and by pregnant and breastfeeding women**

## Wash It Off

Glucoside Gel Cleanser

200 ml

A gentle cleansing gel for daily use, even for sensitive skin. Formulated with **glucose-derived surfactants, known for their mildness compared to other cleansing agents**, it thoroughly removes impurities, including makeup. Thanks to NMF ingredients, the gel prevents skin dryness, even with prolonged use. The addition of inulin supports the skin's microbiome, making it **suitable for sensitive skin**. Now, effective facial and eye cleansing doesn't have to be associated with tightness.

- Foam in mousse form
- Deep cleansing without drying the skin
- Microbiome protection during cleansing
- Formulated with ingredients like - Glucose-derived surfactants, NMF ingredients (Panthenol, Allantoin, Gluconolactone), Prebiotic (Inulin), Aloe extract
- Supports the skin's lipid barrier
- No tightness after use
- Safe for eye area cleansing
- Skin-friendly, physiological pH

## Hug Your Skin

Gentle Cleansing Emulsion

200 ml

A gentle cleansing emulsion that elevates skincare routine by **combining gentle cleansing with deep nourishment** from the very first step. Specially designed to **respect the skin's natural balance and physiological pH**, it effortlessly purifies the face and sensitive eye area without stripping away essential moisture. Enriched with powerful moisturizing and soothing ingredients, this emulsion ensures the skin feels soft, hydrated, and refreshed, leaving behind no dryness or discomfort. Its velvety, creamy texture makes every cleanse a soothing experience, **perfect for all skin types**.

- Formulated with delicate cleansing ingredients, squalane, grapeseed oil, allantoin, saccharide isomerate, and a moisturizing complex
- Strengthens the skin's protective lipid barrier
- No tightness or dryness after cleansing – just pure comfort
- Safe and gentle for the delicate eye area
- Rich, velvety texture for a luxurious cleansing ritual
- Preserves the skin's natural pH for balanced, healthy skin

## Back to Skin

Makeup remover oil with  
squalane and vitamin E

100 ml

A nourishing cleansing oil that melts away makeup and sunscreen effortlessly. Powered by grape seed oil, squalane, jojoba oil, and vitamin E, it purifies the skin while leaving it soft and refreshed. Perfect for both face and eyes, its gentle formula preps your skin for the next steps of your routine. **The emulsifiers make it easy to rinse off with just water—no need for cotton pads!**

The lightweight texture and subtle fragrance enhance skincare experience, making it perfect for facial massage. The pump packaging allows for convenient use, and **its versatility ensures it can even tackle waterproof SPF products**.

- Gentle oil-based formula with emulsifiers for easy water removal
- Non-comedogenic ingredients, tested for safety and effectiveness
- Rich in natural oils: grape seed oil, squalane, and jojoba oil, plus vitamin E
- Ideal for dissolving makeup and sunscreen, including waterproof products
- Contains skin-loving emollients for soft, nourished skin without residue
- Pump packaging ensures easy application and controlled use

# NEW LAUNCHES

Discover **our latest skincare and bodycare innovations**, carefully crafted through advanced research to provide comprehensive care – from **deep exfoliation** to **powerful anti-aging effects** and intense hydration!

## Salicylove Salicylic Acid Gel for Face and Body Wash

250 ml

Effective cleansing gel for **both face and body**, designed to clean and exfoliate in one step. Formulated with glucoside surfactants, it cleanses the skin thoroughly while maintaining its balance. The inclusion of **salicylic acid** helps to reduce imperfections and regulate excess sebum production, leaving the skin smoother and clearer.

With its **unique allergen-free fragrance** composition, this gel provides a **refreshing, masculine scent**, making it perfect for a **wider audience**. It's ideal for daily use and helps to prevent new blemishes, keeping skin in top condition.

- **Dual action:** cleanses and exfoliates in one product
- Targets blemishes and excess sebum production
- Deep cleansing with a smooth, refreshing effect
- Formulated with ingredients like Glucoside surfactants, Salicylic Acid, Gluconolactone, Inulin
- Suitable for **both face and body**
- Prevents new imperfections and supports skin health

## Smoother Than Ever Serum with 12% Lactic Acid for Body and Face

100 ml

A powerful formula that feels incredibly light and non-sticky, yet delivers **rich, effective results!** This serum quickly reduces dry skin, softens, smooths, and enhances hydration. Going beyond the typical exfoliator, it blends a **perfect balance** of active ingredients to gently exfoliate, deeply hydrate, and restore skin's softness. Thanks to its **unique formula**, it offers **more than regular peels or body creams**.

- **A unique 3-in-1 product:** exfoliator, serum, and body lotion in one formula
- Light and non-sticky formula with fast absorption
- 12% Lactic Acid, 5% Urea, 5% Moisturizing Factor, Ectoin
- **Multidirectional effects:** instant hydration, smoother skin, reduction of dry patches, softened texture, preps skin for self-tanner, controls sebum production.

## Dmaestro Anti-Aging Serum

30 ml

**A highly effective anti-aging serum** that provides instant hydration, smoothness, firming, and tightening for skin showing signs of aging. Its firming and **anti-aging effects** are felt immediately and continue to improve with regular use.

**Suitable for the face, neck, décolleté, hands, and delicate eye area**, this serum reduces wrinkles and boosts collagen synthesis.

This serum is a great alternative for those seeking anti-aging results without retinoids. It's gentle yet powerful, making it **ideal for sensitive skin**.

- Reduces the appearance of wrinkles, firms, and smooths skin with DMAE (2.5%), peptide complex, growth factor Beta-2, and adenosine
- Supports sensitive and mature skin, including dry skin, with antioxidant, anti-inflammatory, and collagen-boosting properties
- Provides **both immediate and long-term** anti-aging benefits, **usable day or night, year-round**
